Stay and Play

\$5.00 per hour

- Our traditional after-school care program. Upon arrival to Stay and Play, the students will have a snack and drink, and a short study period for homework, if desired. The majority of this supervised playtime will be on the playground.

Exploration

\$140.00 per session

- It is with great excitement that Deerfield-Windsor announces new after-school programming! In addition to our traditional Stay and Play, students will have the opportunity to take part in the new Exploration Program. This program will offer students the opportunity to explore their interests or find a new hobby through after-school classes that focus on a variety of activities.
- A variety of classes will be offered, including creative arts, cooking without heat, boomwhackers music, bookworm's paradise, science experiments and seasonal sports. The selection of classes will rotate each session.
- Each class meets two days a week and the session is eight weeks long. Classes are \$140.00 for the first class and \$120.00 for the second.
- The classes that meet only one day a week are \$70.00.

Session 1 (8/15/22-10/14/22)
