

The Deerfield-Windsor Birthday Book Club

In 1973, Deerfield-Windsor School began honoring students on their birthdays through the Birthday Book Club*. If you are interested in being a part of this tradition and would like to honor your child on his/her birthday in this special way, please return this form to the library. After the student selects a book, a book plate with his/her name and birthday will be placed in the book. The child will be the first to read the new book and then the book will be placed in the library to be enjoyed by all. Your account will be charged \$25.00 (the contribution is tax deductible.) Summer birthdays are celebrated during the school year.

We know that your child will be delighted to be honored in this way. Thank you for helping to strengthen our library collection!
